

Thank you for stopping in to view activities. Hopefully more will be added! The template for the **tear bear** is included here. I used **cardstock for this one to keep it stiff on the large popsicle stick**. Then I tore brown and black construction paper to cover the template.

I printed out the template and glued to a piece of construction paper. I chose green. Then children can tear pieces of black and brown construction paper to cover the template.

Name: _____

TWELVE DAYS OF SUMMER

This is the template for a tear bear. Cut this out and glue to a piece of construction paper. Then use torn construction paper to make the tear bear. Enjoy!
